

Ladies' Team Report - 2016

The Ladies 1sts were in division 2. They had lots of close matches but ended up in 5th place which will unfortunately mean relegation to division 3 next year.

The 2nds were in division 3b after being promoted in 2015. They started well in the first half of the season but struggled in the 2nd half primarily due to players needing to play up for the first team and ended up 5th and so will go down to division 4 next year.

The 3rds were in division 5a. They were also promoted in 2015 but struggled due to losing players both to the higher teams and to various injuries. Many of the matches were very close but they ended up also being relegated to division 6.

The 4ths were in division 7a after being promoted the previous year. A similar story to the 2nds and 3rds as they had to give players to the higher teams and had a number of other players unavailable for various reasons. Again they competed well but will also be relegated next year to division 8.

Despite the disappointing final positions of the teams, the matches were enjoyed by all the players and hopefully all teams will bounce back next year.

Many thanks to Lauren Gamble, Lorna Clayton and Sarah Gunn who captained the 2nd, 3rd and 4th teams respectively this year, often under difficult conditions and credit should be given to them that we managed to field full teams each week.

.

Other teams

Summer social team had lots of tight matches and finished 3rd in their league.

Ladies inter club singles - had a good win against Murrayfield before losing to division 1 side Blackhall in the semi-final.
