

GRANGE DYVOURS LTC : LADIES' TEAMS REPORT 2017

The Ladies 1sts were in Division 3a and had an excellent season winning 9 of their 10 matches and drawing the other. They won the division with 19 points, 7 clear of Lomond Park in 2nd place and are promoted to Division 2.

The 2nds were in Division 4a and managed to hold their own despite having lost several players from the previous season. Their place in the league came down to the last match of the season against the Meadows with the losers being relegated. After an initial postponement of the game due to international cricket, the match was eventually played in early July with a strong Grange team prevailing and thereby securing their place in Division 4a again next year.

The 3rds were in Division 6a. Again having lost some players to the 2nds the 3rds struggled initially and at the half way point relegation looked likely. However a strong performance in the final few matches, including a must win against Colinton and they again managed to hold on to 4th position and will remain in Division 6a next season.

The 4ths were in Division 8. Unfortunately the 4s suffered from a loss of players from the previous year and struggled to field a team many weeks, often having to call on juniors and other non-team players to make up a full team. The players enjoyed their matches although didn't manage to win any and finished 6th in their division.

Many thanks to great job and effort by Ali Craik, Sally Cownie and Sarah Gunn who captained the 2nd, 3rd and 4th teams respectively this year, especially Sarah who had the hardest job of finding 6 players for the 4s each week.

Jennifer McGill
