

Men's Team Report 2016 Season

Well done to all those that played in the Grange tennis teams this year and a particular thanks to Alfredo, MarkA, DaveM & DaveJ for all their hard work captaining and organising the 4 Grange teams. League results are below.

Very well done to the 1st team that won div 4B and return to div 3. They won all 10 of their matches and played particularly well home and away against a strong Kirkcaldy 1st team who finished 2nd.

Well done also to the 2nds who also get promoted and will next year be in the dizzy heights of div 4. The 2nd team won 8 out of 10 matches and it was only top team Dunfermline 2 that they were not able to beat.

The 3rds had some great results but in a very close division just missed out on getting one of the top 2 places and just needed one more win against one of the 2 teams above them!

The 4ths also had several good wins but finished 5th unfortunately, but might not get relegated as there are always a few teams entering or leaving the leagues which mixes things up a bit.

Stephen Davey.
