

GRANGE DYVOURS TENNIS 2018: MEN'S TEAMS REPORT

This year has once again been very successful for the 4 Grange men's tennis teams, so many thanks to all those that have played and a particular thank you to the team captains – Alfredo Gonzales- Sulser, Mark Atkinson, David McMaster and Blair Hutton.

The Grange 1sts again came 2nd in div.3A but don't get promoted as only the top team from divisions 3A and 3B get promoted to div 2, but a great result nonetheless it what was a very close fought and tough division.

The 2nds, having achieved their goal last year of staying up in div.4, went one better this year and were runners-up in div.4A which means they will be promoted to division 3 next year. This was a fantastic result and it will be a super challenge for us next year which we are all looking forward to!

The 3rds were runners-up in div.6A, which follows on from their promotion last year as well. Back to back promotions for the 3rds was a super result and they should have the strength in the team to do well in division 5 next year.

The Grange 4ths were winners of div.8B, only losing one match, and secured promotion with a couple of weeks to spare. They have also achieved back to back promotions and will be up to division 7 next year. Very well done as well.

It has been a great season for the men's teams and it shows what great strength in depth we have at the Grange at the moment.

Stephen Davey
